

**Written exam in English History and Culture 11<sup>th</sup> January 2012  
Lund University, Campus Helsingborg**

OBS! Läs detta först: Oavsett vad skrivningsvakten eller någon annan eventuellt säger, så ska alla svar anges på de förtryckta raderna. Alltså inte i marginalerna, inte mellan eller under raderna, inte på baksidan av skrivningspappret och inte på lössblad. Använd lössbladen som kladdpapper, så att du kan planera dina svar och sedan skriva in en snygg och prydlig version. Lycka till!

*Birgitta Berglund*

---

**Comment briefly but in complete sentences on the following names and terms from British history. What are they known for and when? How/Why is this important?**
