### MASTER OF ARTS PROGRAMME IN EUROPEAN STUDIES

You are hereby warmly welcomed to the Master of Arts Programme in European Studies at the Centre for Languages and Literature at Lund University. The programme is interdisciplinary and offers a unique perspective on Europe from a broader, humanist, point of view. Our focus lies on culture, identity and communication.

The introductory meeting will take place **September the 3<sup>rd</sup> at 14.15-16.00 in SOL:A339** at the Centre for Languages and Literature (SOL) in Lund. At this meeting, you will receive important information about the programme and your studies. You will also get to meet your fellow students and the staff at European Studies.

Your presence at this meeting is required in order for you to be registered in the programme. If you are unable to attend the meeting, please send an email to Therése Koglin: [therese.otto\\_koglin@sol.lu.se](mailto:therese.otto_koglin@sol.lu.se).

In case you have not already done so, please have a look at the two course pages that are relevant for the autumn semester, where you will find the schedules, syllabi and literature lists:

<https://www.sol.lu.se/kurs/EUHR11/HT2019/>

<https://www.sol.lu.se/kurs/EUHR12/HT2019/>

Please note that if you do not intend to accept your offered place in the programme, you should immediately inform Therése Koglin of this fact via email.

For more information about coming to Lund, please read the information on this webpage: <https://www.lunduniversity.lu.se/current-students/new-students>

And, finally: If your notification of admission states that you have been conditionally admitted, official documents of your completed undergraduate degree must be submitted to [universityadmissions.se](http://universityadmissions.se) **as soon as you receive them**, at latest before the start of the programme. Please upload these

documents to your account at University Admissions in Sweden as soon as you receive them and prior to the start of the programme. Remember to check if your degree documents can be uploaded or must be sent as certified copies or as official transcripts (remember to follow all document certification rules or any country-specific instructions).

It is important that you **also** bring your original documents to Lund, in case of any questions regarding your documents.

You will not be fully registered as a student within the programme until you have provided documentation proving that you fulfil all requirements of the programme.

We are very much looking forward to meeting you all in Lund!
